

FOR BETTER OR WORSE, LLC

May 31, 2012

Dear Rafael Morales of Ibiza Bites Catering,

Thank you for coming through last week and saving the day!

With only a day's notice, you were able to help us create the perfect Wrap Day Celebration Meal for our awesome Cast and Crew.

You stepped right in to help us meet our budget and our idea of an upscale buffet lunch with lobster and steak. Everyone agreed that your team was courteous, friendly, and professional. We also appreciated your cleanliness during both serving and exiting.

Most importantly, those who have the final word, the Cast & Crew, were absolutely thrilled!

We look forward to working with you and your Ibiza Bites team again in the very near future.

Thank you again.

Best,

Michelle Sneed
Production Coordinator
